Farmington was not interested on bidding on Theater on Ice but Dearborn and Troy are. In order to work with Troy skating club they would have to join Metro Council.

Ann asked how the bid would go. Bill G. stated there are 2 ways to do a bid for an event. A club could bid by itself and take full financial responsibility and ask for volunteer help from Metro Council or they could have Metro Council take the responsibility and all the clubs who are members of Metro council who volunteer time would benefit if there was any profit made. Ann suggested that the Troy club officers attend the March meeting of Metro Council.

National Showcase is usually held in August.
